Public Comments: Situated on 5+ acres, this ranch home offers beautiful views and country living. Features include hardwood floors, large eat in kitchen with bar area, spacious living room with pellet stove to take the chill off, den/office. Roomy basement could be finished for extra space. Added bonus that all first floor windows (not included is bay window) will be replaced by seller before closing. Make great use of the enclosed porch for summer fun. Property also sports newer detached 2 story 14x24 shed great for storage or your man cave AND an additional detached 22x30 drive through garage/metal building that would be great for boats, toys or big equipment!
